

KidBiz is one of many programs planned and organized by the Grand Island Chamber of Commerce. Please join us and support your community and area youths for KidBiz's 24th year. Last year we had over 50 booths and 100 Grand Island students participate!

KidBiz is an excellent opportunity for children to engage in a real-life business experience.

What to sell? Anything that will fit on a table - your old toys, sports cards, books, arts & crafts, homemade goodies and drinks. Learn how to serve customers, how much supplies will cost and how much to charge.

To sell at KidBiz you and a guardian must attend a training session called, "Get Ready for KidBiz". You will receive a KidBiz start-up kit at the session.

To sell at KidBiz you must:

- Be 2nd to 8th grade student • like talking to people • pay \$20.00 per child
- Attend at least One (1) training • Have permission of a parent/guardian • fill out the form below
